## Atos Group Named a 2023 AWS Partner Award Finalist

*Atos Group recognized as GSI Partner of the Year – APJ finalist, one of many AWS Partners around the globe that help customers drive innovation*

**Las Vegas, USA and Paris, France – November 27, 2023** – Atos Group is excited to announce it is a finalist of a 2023 Geo and Global AWS Partner Award for Asia-Pacific Japan. This includes [Eviden](#), the [Atos Group](#) business leading in digital, cloud, big data and security. This award recognizes leaders around the globe playing a key role helping customers drive innovation and build solutions on Amazon Web Services (AWS). This is a recognition of Atos' position as a top GSI AWS Partner that has provided significant contributions related to revenue, launched opportunities, net new certified individuals, and AWS designations earned.

Geo and Global AWS Partner Awards recognize a wide range of AWS Partners, whose business models have embraced specialization, innovation, and cooperation over the past year. Geo and Global AWS Partner Awards recognize partners whose business models continue to evolve and thrive on AWS as they work with customers.

For the first-year in a row, finalists were recognized as part of the data-driven award categories, which were comprised of a unique set of metrics that helped measure AWS Partners' performance within the past year. The datasets used were audited by a third-party vendor, Canalys, to ensure that all measurements and calculations were objective and correct in nature. Finalists represent the top 3 ranked AWS Partners across any data-driven award set.

The AWS Partner Network (APN) is a global program focused on helping companies build successful AWS-based businesses or solutions by providing business, technical, marketing, and go-to-market support. The APN includes independent software vendors (ISVs) and systems integrators (SIs) around the world, with AWS Partner participation growing significantly during the past 12 months.

A panel of AWS experts selected the finalists based on strict criteria with third-party audit conducted by Canalys.
