

Vision for Future with Eviden RISE++

Reimagine & Accelerate your S/4HANA transformation through our end-to-end solutions & services

Offering description:

Our RISE++ accelerators help charter clients' transformation journey across a program life cycle by leveraging Eviden expertise and solutions for RISE, delivering a faster & simpler journey.

Purpose / Market Drivers

Key Market Drivers to accelerate the digital transformation journey of businesses –

1. Adopt more lean/simplified processes with higher degree of automation
2. Access data-driven insights to make timely & informed decisions
3. Incorporate Transparency with complete Integration across End-to-End processes
4. Enable shorter time to Value
5. Remain Innovative and Competitive

Customer Challenges

1. Difficult to fathom Business Transformation
2. Scattered Data & bespoke business processes
3. Higher Risk of Data & Security breaches
4. Non-harmonized, Non-standardized processes
5. Disparate landscape of legacy systems
6. Complexities in timely reporting

Solution from SAP

RISE with SAP - comprehensive solution under one commercial contract comprising -

1. S/4HANA Private Cloud ERP
2. Hosting on a choice of Hyperscalers
3. BTP Platform for Integration & Innovation
4. Signavio for process improvements
5. OS and DB management
