Ref May 21st, 2024

1. RECOMMENDATION

Bull recommends, prior to any use of Bull's product, careful reading of the product documentation and use of the product in compliance with its documentation.

2. GENERAL TERMS

This product limited warranty ("Limited Warranty") contains Bull's standard terms and conditions of Limited Warranty applicable to product listed in Appendix 1 and sold by Bull to its customer ("Product") in order to provide protection against possible defects in workmanship and materials during the early life of the Product specified in Appendix 1 ("Limited Warranty Period"). For enhanced services and long-term Product protection, Bull recommends, its support-maintenance services program(s).

This Limited Warranty may be supplemented by terms and conditions of warranty agreed by Bull and USER by separate contract. In case of discrepancies between said contract and this Limited Warranty, the provisions of contract shall prevail.

Bull may at any time, update, modify or withdraw this Limited Warranty terms and conditions. Any updated or modified version of the Limited Warranty shall be automatically applicable except to the Products orders already placed prior to the new Limited Warranty issuance by Bull. Applicable Limited Warranty's terms and conditions shall be available on Bull's web site and/or request to Bull's contact.

This Limited Warranty is applicable exclusively to end user(s) who has purchased the Product from Bull, for their own needs only and not for resale ("USER").

For the purposes of this Limited Warranty, "Bull" means Bull's legal entity that sold the Product and "Product" means Product purchased from Bull comprising hardware components and required firmware, with exclusion of any software applications or programs that shall be purchased or licensed separately and/or any non-Bull products. All non-Bull products are provided "AS IS" without Bull warranty. Manufacturers and suppliers of the non-Bull products may provide their own warranties directly to USER of the non-Bull products. Notwithstanding the foregoing, with respect to non-Bull products, Bull will use commercially reasonable efforts to pass through to the purchaser the benefit of all warranties given by its licensors or suppliers for the non-Bull products, subject to USER's responsibility in using such third-parties warranties. Bull and Product shall be detailed in Appendix 1.

THIS LIMITED WARRANTY IS THE EXCLUSIVE WARRANTY PROVIDED BY BULL, IS IN LIEU OF ALL OTHER WARRANTIES WHETHER EXPRESS OR IMPLIED AND SHALL REPLACE ALL

OTHER WARRANTIES: USER further acknowledges that it has not relied on any representation or warranty of whatsoever nature made by or on behalf of BULL whether orally, in writing, by conduct or any other means other than expressly set out in this Limited Warranty.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, BULL AND ITS SUPPLIERS GRANT NO OTHER WARRANTY WHETHER EXPRESS OR IMPLIED, AND BULL EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS PRODUCT LIMITED WARRANTY, IN CONTRACT AND IN TORT (INCLUDING NEGLIGENCE), INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

This Limited Warranty is applicable only in the location where the Product is shipped and installed by Bull.

3. PRODUCT LIMITED WARRANTY SERVICES

Limited Warranty services shall be provided by Bull or its authorized service provider. Notwithstanding the above, these Limited Warranty services are Bull's sole obligations under this Limited Warranty; in no event Bull shall be held responsible for any additional obligations that may be agreed with Bull's authorized reseller or distributor or authorized service provider.

1. BULL'S OBLIGATIONS

Bull warrants for the Limited Warranty period that, when properly used and installed in accordance with Bull's specification and/or instruction for the Product, the Product shall be free from defects in material and workmanship and shall conform substantially to its documentation.

Bull's entire obligation and user's exclusive remedy under this limited warranty (at Bull's reasonable option and costs) is in reasonable time and in accordance with hereto provisions (i) to repair any defective Product or defective component of Product or (ii) to replace them with new or equivalent to new in performance and reliability, to the exclusion of any financial compensations and/or of refund of the purchase price of the Product provided that USER has given Bull written notice of any defect within the above mentioned Warranty period.

For benefiting this Limited Warranty, USER shall notify, within the Limited Warranty period, any defect of the Product to Bull, either on Bull's website available at the address <http://support.bull.com/>, or to Bull local support contact which shall be indicated to USER upon request to Bull. Any notification by USER shall include the serial number of the defective Product, the date of the Product purchase and the description of the defect.

When USER has notified of the defect of the Product in accordance with the above requirements, Bull shall define, at its discretion, if the defect will be fixed remotely by Bull or by USER through the installation of replaceable unit which are specified in Appendix 1 ("Replaceable Unit" or "CRU") or by on-site intervention.

Bull will, when possible and at its own option, in priority fix any defect by remote access: if USER requests to have the defect fixed otherwise than by remote access, any additional costs incurred due to the lack of remote access shall be assumed by USER.

With respect to CRU, Bull's sole obligation under the Limited Warranty shall be the supply to USER, free of charge, of Replaceable Units with the instructions for their installation by USER and shall not include the installation of Replaceable Unit by Bull. Installation may be performed by Bull at the USER's written request and installation's costs shall be charged to USER. USER shall return, at Bull's request and costs, the defective unit back to Bull. When requested by Bull, the defective units shall be returned within ten (10) days from Bull's request otherwise the CRU's price in force will be charged to the USER.

Any On-site intervention, when decided by Bull, shall be performed during working days and hours and may include the supply of spare parts.

In case that Bull elects the replacement of the Product and upon its written request for the return of defective Product, the replaced Product shall be shipped at Bull's expenses within commercially reasonable time following the receipt of returned Product.

The returned Product including CRU and spare part shall become Bull's property upon receipt.

Replaced Product, CRU and spare parts are warranted to be free from defects in material or workmanship for ninety(90) days from their delivery, or for the remaining Product's Limited Warranty period in which they are installed, whichever is longer.
