

Eviden AG and Glownexus SA Announce Strategic Partnership to Drive Cybersecurity Innovation in Swiss Romandie

Lausanne, Switzerland – September 20, 2024 – [Eviden](#), the [Atos Group](#) business leading in digital, cloud, big data and security today announces its strategic partnership with Glownexus SA, a specialist in Identity and Access Management (IAM), to expand cybersecurity opportunities in the Swiss Romandie market. This partnership brings together Eviden's proven expertise in IAM and its wide portfolio of cybersecurity services with Glownexus's specialized IAM capabilities. This powerful combination will address the growing demand for advanced cybersecurity solutions in the region, cultivating new business prospects and enhancing cybersecurity defenses for organizations in Swiss Romandie through the exchange of resources, knowledge, and innovative ideas.

"We are pleased to join forces with Glownexus in this important initiative," said **Alex Halbeisen, Country Head of Eviden AG**. "This partnership not only strengthens our position in the Swiss Romandie market but also underlines our commitment to providing innovative cybersecurity solutions that address the complex challenges faced by businesses in Switzerland today."

Antonius Kromwijk, Managing Partner Glownexus SA "Partnering with Eviden allows us to extend the reach of our IAM expertise and deliver robust cybersecurity solutions to a wider audience. By combining our strengths, we can offer solutions that address the many challenges businesses face in today's digital landscape."

The cooperation will enable Eviden and Glownexus to offer a comprehensive range of cybersecurity services to Swiss Romandie. This includes not only their combined Identity and Access Management and advanced security consulting, but also Eviden's leading-edge threat detection and response services. By combining Eviden's global expertise in data-driven technology with Glownexus's specialized focus on IAM, the partnership aims to deliver tailored cybersecurity solutions that meet the unique needs of the region.
